Two superstars, two stadiums, two concerts, two unforgettable events. In a rare co-headlining concert pairing, JAY-Z, who has scored more #1 albums than any solo artist in history, and EMINEM, the biggest selling artist of the 2000s, will share a stage with each headlining in his own hometown—EMINEM at Detroit's Comerica Park and JAY-Z at New York's Yankee Stadium. The Detroit show is set for Thursday, September 2 and the New York performance is scheduled for Monday, September 13. Both shows will be produced by Live Nation. JAY-Z and EMINEM made an appearance together earlier tonight at Comerica Park, where the Tigers hosted the Yankees, to announce the shows.
