One of the most successful live acts on the road today, Elton and his band put on the kind of concert you will never forget: the entire audience standing, dancing and singing along with much-loved classic songs such as "Your Song", "Daniel", "Rocket Man", "Bennie and the Jets" and many more. Don't miss this "Greatest Hits Live" concert, featuring number one chart hits and classic album tracks from throughout Elton's incredible five-decade career. Elton John in 2010 joined legendary Leon Russell on 'The Union' album. The duo garnered Grammy nomination in the Best Pop Collaboration With Vocals category for their collaborative music genius.
