On the heels of his starring role in the hit movie "Think Like A Man," actor and comedian Kevin Hart announces he will extend his "Let Me Explain" tour which moves from sold-out theaters to arena dates this fall. Hart has performed for more than 334,000 fans during the 2011 and 2012 theater run of "Let Me Explain." This spring Kevin starred in the Screen Gems film Think Like A Man, a comedy based on Steve Harvey's bestselling book Act Like A Lady, Think Like A Man from 2009. The movie was number one at the box office for two consecutive weeks. Hart also had a supporting role in Universal & Nick Stoller's comedy Five Year Engagement by producer Judd Apatow.
