April 1, 2013 Maroon 5 is headlining the 2013 Honda Civic Tour with Special Guest Kelly Clarkson. They'll also be having PJ Morton, Rozzi Crane & Tony Lucca out on the road as well.

The tour launches August 1st in St. Louis, MO! Check below for all the [tour dates](#)

Members of the Maroon 5 fan club will have access to exclusive pre-sale tickets on April 1. Tickets go on sale to the general public beginning April 6 at www.Ticketmaster.com and LiveNation.com. To sign up for Honda's pre-sale, which begins April 2, visit hondacivictour.com/presale. Please note that tickets are available on a first-come, first-served basis and are not guaranteed. Acquisition and possession of a pre-sale code does not guarantee access to tickets. Each pre-sale code is good for up to four (4) tickets per show, with a limit of 12 tickets for the tour. Pre-sale codes only apply to concerts for sale through the Ticketmaster ticketing system. Pre-sale code is good for all Ticketmaster venues. May not work at other venues.

Continuing a Honda Civic Tour tradition, Honda will present fans with an opportunity to check out one-of-a-kind vehicles that have been customized and autographed by the headlining bands. Maroon 5's vehicle will be on display at each tour stop.

"We are very excited to team up with the Honda Civic Tour," said Adam Levine. "Kelly, PJ, Rozzi and Tony are all such unique and amazing artists. I'm really looking forward to hitting the road with them. Each night will be a great night of music."
