August 7, 2012. Cee Lo Green gives voice to new "Sparkle" trailer. In the new trailer for the film Sparkle, Cee Lo Green's powerful voice anchors a clip that is as soulful as it is heartfelt. Indeed, the early preview of the dramatic film, due in theaters August 17, is packed with intrigue and great sounds.

Leading lady Jordin Sparks and Derek Luke light up the screen with sizzling romantic chemistry. An aforementioned Green, complete with throwback processed hair, looks like he just strutted off a STAX Records recording studio. [Read the full story on CBS Local](#)
