May 3, 2012 West Palm Beach. SunFest brought out South Florida's "Young, Wild & Free" to see Snoop Dogg and his band perform his latest hit on the Bank of America Stage. The stage was smokin' and the audience obliged as Snoop opened up the set with "I Wanna Rock." While Snoop Dogg was gettin' funky on the mic with the rhymes, the rap superstar's entourage of sexy dancers and rhythm section were pumped up the entire evening. The hip hop show boasted amps that pounded out one of the loudest [SunFest](#) performances to date.
