Originally formed as a studio project between Tay Jardine (vocals), Jordan Eckes (guitar/vocals)

and Mike Ferri (bass) in 2009, the undeniable musical chemistry of the trio led to the addition of Rob Chianelli (drums) and Cameron Hurley (guitar) and We Are The In Crowd was born.

Hailing from Poughkeepsie, NY, the band combines alt-rock elements with straightforward, brutally honest pop music, and quickly caught the attention of Hopeless Records. Their melodic, vibrant instrumentation lays the perfect complimentary groundwork for the dual vocalists expressions to weave effortlessly throughout each track. The lyrics illustrate a give-and-take of two differing opinions, exemplified by their debut single, "For The Win" off their seven-song freshman EP "Guaranteed To Disagree." Jardine describes the format, "With two vocalists, we think it's a great way to illustrate two opinions because you can clearly hear the difference between our voices. We based a lot of the songs around the idea of having two opinions to every situation."

We Are The In Crowd released their debut EP "Guaranteed To Disagree" in June 2010 to immediate success and a full run on that summer's Vans Warped Tour. Their video for "Both Side of the Story" premiered on AltPress.com and has garnered over 479,000 YouTube views!
