Never Shout Never

photos by Sally Rosen - Official Fan Club, Inc.

Last weekend Never Shout Never performed an afternoon gig on the Tire Kingdom Stage at SunFest West Palm Beach. Christofer Drew, front man for the band, wooed the crowd with fan faves "I Love You 5" and "Big City Dreams." As Christofer threw cigarettes to the audience and female fans threw back their thongs, he expressed his delight to be back in Florida, a state the band frequently tours.
